The results of the Survey

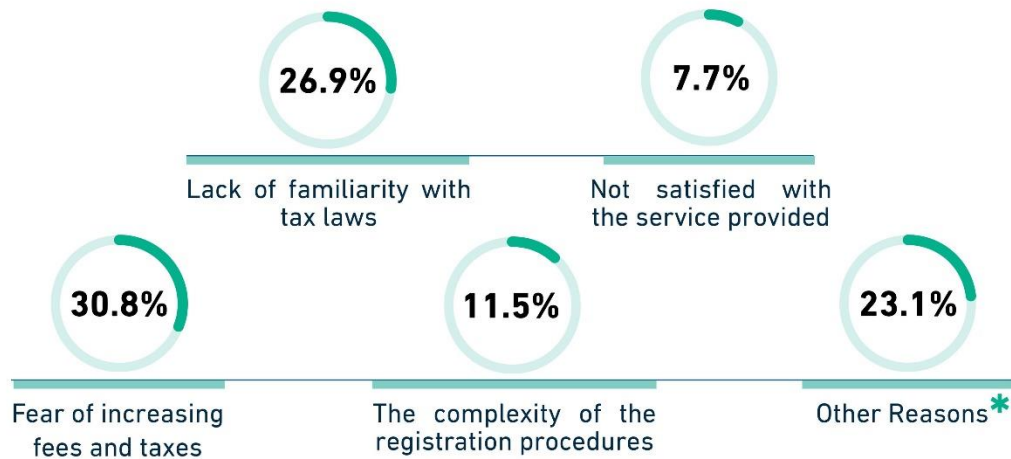

Have you been registered in the Tax Authority?

(81.4 %) of the visitors have been registered in the Tax Authority.

If the answer was no, then what are the reasons?

- I have no idea about taxes before
- I do not have commercial registration
- I have no activity
- My CR is expired
- Lack of tax awareness

(18.6%) of taxpayers have not registered with the Tax Authority because of their lack of awareness and lack of familiarity with tax laws. Therefore, field visits and workshops will be intensified to raise the tax awareness.
